The Psalmist said it best when he penned the words, "O taste and see that the Lord is Good."

We attended Candidate School at Baptist International Missions Inc. (B.I.M.I.), during the first week of June. It was a real blessing to see what God has done through and for B.I.M.I. . It was also a blessing to meet so many other Missionary Candidates scattered to fields across the globe, and to hear their burden. We had the privilege to eat with several candidates and get to know them better and develop some friendships. The Lord was good to us as my wife and I, along with our youngest daughter (10 months old), to make a 1350 mile round trip with complete safety. My wife's parents watched our three older children for the week, the kids had a great time.

While at Candidate School, we were able to be in three different churches, and we were able to sing and give our burden for Madagascar in two of the churches. We also received some unexpected blessings, while at one of the churches.

Currently, we are in the process of getting our prayer cards and stationary designed. We hope to have these printed in the next couple of weeks. We are in the process of scheduling meetings to fill in dates for the fall. We already have several meetings lined up, and we have been contacted by several churches. Our web site is up, it can be found at **MadagascarMissions.com**.

Please pray for the following:

- That God would provide meetings.
- Wisdom in organizing a survey trip.
- Wisdom in decisions concerning deputation.

In Christ,

Paul Hostetler and Family
