Dear Friends,

"... happy is that people, whose God is the LORD." Psalms 144:15

God has been good to us as we have traveled to a couple of meetings. I have received a very positive response while calling churches, and several meetings have been scheduled. At recent meetings we have been warmly received and have been blessed by the sweet and generous spirit of the churches.

We have traveled over 1,800 miles in the last month with complete safety. It has been a joy to meet fellow Christians with a heart to see the world reached for Christ. While at Truth Baptist Church in Mechanicsville, VA, we had the privilege of going door knocking two different times with pastor Erik Hastings and some of the church members. It is exciting to see such a vibrant young church that has a vision to reach its Jerusalem and the uttermost parts through world missions.

Please continue to pray with us for God to open doors for us to present our burden and passion for the Malagasy people. Dr. Charles Keen from First Bible International said that Madagascar was one of the neediest countries in the world for the need of the Gospel. Recently, at our home church, we have been able to meet some new prospects who are open to the gospel; please pray that we would have the opportunity to see these people come to know Christ as their Savior. Finally, we ask you to pray that God's will would be done in our life.

In Christ,  
Paul Hostetler
